Additional info on how to fill out the progress report:

- 1. The question "I plan to continue studying after graduation" is only visible when the child is in the final grade of secondary education.
- Regarding uploading of the event photo: when you select Christmas celebration or Flag ceremony, you can't upload the photo in the progress report itself. You should do this at the school level, please see for further instructions on page 3 of this document 'General / Schools / Details'

When you select any other event, you have to upload the photo on the progress report itself (via the paper clip button).

 The score of the 3 most important subjects should be entered. (Low, Average, Good or Excellent). It's up to you to decide which 3 subjects are most important. How to fill out the score:

Low: 0 – 55% of the maximum score / Average: 56 – 70 % of the maximum score Good: 71 – 90 % of the maximum score / Excellent: >90% of the maximum score

### Translations

At the bottom right side of the screen is a button Translations.

If the report is entered in Spanish language or French language this button can be used to enter the translations because W&D wants to receive the report in English.

If you click on button Generate translations the text in the original language is automatically translated to English. If the automatic translation is not perfect you can adjust the English translation manually.
